

## Admission Requirements for prematernelle la Capucine

As the parent, your child qualifies for French schooling if you are a Canadian Citizen and if you fit one of the following criteria as stated in Article 23 of the Canadian Charter of Rights and Freedoms.

- your first language learned and still understood is French OR
- you received your primary school instruction in French, in Canada OR
- one of your children has received or is receiving their primary or secondary school instruction in French, in Canada.

### **Please note:**

- The French instruction mentioned above must be in French as a first language and not French immersion.

As we are a preschool, la Capucine can only accept children who are

- aged 3 to 5 years
- who are fully potty trained

We prioritize families who:

- are francophone or franco-dominant OR
- have at least one of the parents who speak French fluently OR
- have, in the very least, a basic understanding of French.

### **Please note:**

- A meeting with one or both parents may be requested as part of the registration procedure.
- The Capucine reserves the right to assign the child to the group to which they feel the child is best suited based on french language development and ability.
- The Capucine equally accomodates non-Canadian francophones.
